1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a Dominion Energy Customer.

2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)

I am protesting Dominion Energy's request to increase customers rates. We are in a PANDEMIC! Many people have lost their jobs, health and housing. Many people are seeking assistance to pay their utility bills or they are living in darkness. Increasing rates during a PANDEMIC by a company monopolizing multiple states shows a lack of compassion. Dominion Energy hasn't lost a dime! They've only been in our state 1.5 years and they are asking for an increase. We (customers) were shafted on the SCANA/SCE&G Nuclear Disaster build/buyout and now, the increase saga begins with this new company.

Members of the Public Service Commission, don't start granting every rate increase from Dominion like

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? \*

I do not wish to appear at this proceeding; my electronic statement should be sufficient
